PUBLIC SAFETY UNIFORMS

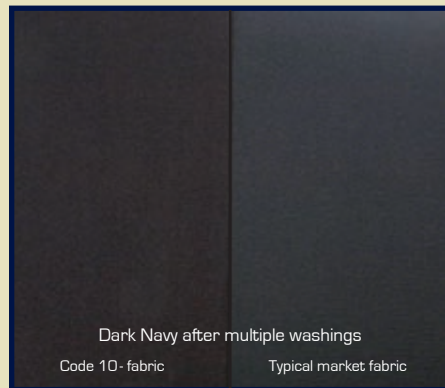

FABRICS

Specify **CODE 10** quality fabrics to meet your highest expectations for **consistent professional appearance, comfort and performance**, day in and day out, in any climate. Because choosing the right fabrics is key to the success of your uniform program, we have teamed up with the best mills in the industry to offer the latest added-value technology in **fabric stretch, ease of maintenance, wrinkle resistance, color retention, wicking and liquid repellency**.

Ask for test reports to specify **CODE 10** fabrics.

SUPERIOR COLOR DEPTH AND RETENTION

- Colors stay true wash after wash
- Consistent matching of shirts & pants
- Poly/Wool/Lycra is top dyed
- Long lasting colors means value

STRETCH

- Ease of motion for increased comfort
- Shape retention

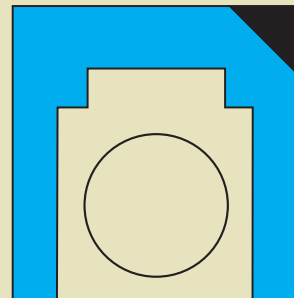

LIQUID REPELLENCY

- Creates a protective shield against liquids
- Water, oil and other liquid spills will bead up on the fabric surface keeping you clean, dry and comfortable

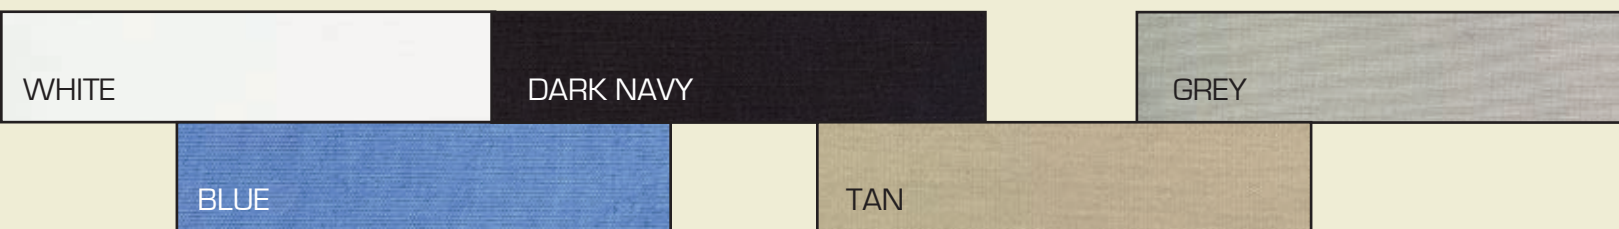

WICKING

- The inside of the fabric wicks moisture away from the body
- Fabric dries up quickly and keeps you cool and comfortable

**MACHINE WASH
HIGHLY WRINKLE
RESISTANT**

SHIRTS AND TROUSERS

Specify **CODE 10** shirts and trousers to meet your requirements for **reliable delivery and service, optimal fit and quality**. Our tailored, value-added approach is driven by your specific needs. Unlike many vendors who try to “push” their standard products, **CODE 10** is a program offering custom options that suit you.
